Description :

PDF-fb018 | What do animals do at night? For humans, the setting sun marks the end of the day and signals to us that it's time to go to sleep. But while people are quietly dreaming in their beds, there's a whole world of animals that's just waking up! Who are they, what do they do until morning, and how do they move, see, and hunt in the dark? Find out the answers to these questions and more in this book! With... *Animals at Night: A Glow-in-the-Dark Book*
