Description :

PDF-cfa1f | How many species are there across the globe? How much do all of the insects in the world collectively weigh? How far can animals travel? Steve Jenkins answers these questions and many more with numbers, images, innovation, and authoritative science in his latest work of illustrated nonfiction. Jenkins layers his signature cut-paper illustrations alongside computer graphics and... *Animals by the Numbers: A Book of Infographics (Outstanding Science Trade Books for Students K-12)*
