Description :

PDF-316c9 | "Favorite American folk songs of earlier generations come to life for today's children in this delightful collection filled with wonder, magic, and make-believe. Storytelling and music are combined to create some of the best-loved and most enduring songs of childhood. Just as children love to be read to, they also love being sung to, especially when the song tells a story. These songs have narra... *The Book of Children's Song Tales (First Steps in Music series)*
