Description :

PDF-b1db2 | Chicago-based author Patrick McBriarty created the PTM Werks series for children to share his fascination with how things work. The series debuted with Drawbridges Open and Close (Oct. 2014), then Airplanes Take Off and Land (April 2015) and all three books are illustrated by Johanna H. Kim. The books bring excitement about the inner workings of bridges, planes, and other transportation-related ma... *City Railways Go Above and Below (PTM Werks)*
