PDF-135a1 | There's never before been a book like Gallop!

Employing a patented new technology called Scanimation, each page is a marvel that brings animals, along with one shining star, to life with art that literally moves. It's impossible not to flip the page, and flip it again, and again, and again. A first book of motion for kids, it shows a horse in full gallop and a turtle swimming up the page. A dog r... *Gallop!: A Scanimation Picture Book*
