Description :

PDF-c7384 | This is an outstanding guide to the human body from one of the world's great illustrators! Ever wondered how we breathe, or why? Or what happens to broccoli once your teeth have finished with it? Or how your eyes turn at the same time and in the same direction? Most of us don't stop to think about the countless everyday tasks our bodies perform automatically while we get on with our lives. And yet... *The Way We Work: Getting to Know the Amazing Human Body*
